

Gemeinnütziges Integrationsleasing

Mission Statement

“Job-TransFair GmbH” is a non-profit organisation with the objective of long-lasting Integration of people, who are disadvantaged in the labour market. Through which we perform an important contribution to social peace.

Our mission is to assist the participants, trainees and contract workers with their human and professional qualities and skills.

We base ourselves on the indepth experience and knowledge of each of our key employees and enhance their individual and professional development.

Effective Cooperation, consulting and mentoring are enhanced through mutual appreciation and respect. Job-TransFair actively promotes gender mainstreaming and rejects any form of discrimination.

The diversity of experiences and competences of all people, for whom and with whom we work, define our key resources. In order to support an environment which stimulates information and experience exchange in all areas to use our key resources effectively.
